Saturday from 1pm

Sunday from 9.30am

Monday from 9.30am

Thursday from 9.30am

Social Tennis is an opportunity for Members to mix. During such periods, doubles must be played in preference to singles and short sets must be played if people are waiting and there are no free courts (i.e. a set of 8 games. If score is 4-4, one final game may be played.). The general rule is first come, first served and players are expected to take the first available court. As Members arrive, they should warm up then join the end of the queue of players waiting. All eligible adult Members are welcome, as well as students provided that they are of an appropriate standard. At all times Members must show courtesy and consideration to each other and resolve any difficulties over court usage in a friendly spirit. Where necessary, the decision of the Committee will be final. The Committee may announce Club tournament matches, from time to time, which take priority over social tennis sessions.

At times when no activity is scheduled, all Members are free to use the courts, Club matches, including junior matches, may be arranged at times other than regular ones.

There is no court fee or pre-booking system. Juniors should give way to adults and students but they should be allowed to finish off a short set. Juniors should be allowed priority on three courts from 4.30pm-6.00pm weekdays. Appropriate tennis clothing or a recognised form of tracksuit should be worn when playing and suitable footwear must be worn on the courts. Shoe tags must be worn when playing.

3. Visitors
